BABAR, based on the books by Laurent de Brunhoff, is an animated show about a young orphaned elephant who finds the strength to rise above the challenges he faces, including the death of his parents, as he journeys through life. Each episode of the show develops a social-emotional message such as taking responsibility, being patient and persistent in hard work, respecting people's privacy, learning to cope with unforeseen changes, and being honest. These messages emerge from the need to resolve a dilemma that is faced by Babar, one of his friends or family members.

WILLA'S WILD LIFE is a new animated series featuring a six-year-old girl, Willa, who is permitted to share her home with an ever-growing menagerie of animals-- an elephant, a giraffe, a pair of performing seals, a bear, three penguins, and lots of rabbits. These creatures speak to Willa, offering her advice and friendship from each of their respective points of view. In each episode, Willa faces a challenge at home, in school or in her neighborhood. Her animals and best friend Dooley help her develop solutions to overcome each challenge. With the support of Dooley, the animals and praise from her dad, Willa finds ways to maintain healthy friendships, experience success, develop competence and become altruistic.

JANE AND THE DRAGON is a coming-of-age story about a middle-class, medieval girl who lives in the Royal Court with her family. As an only child, Jane is raised to be a Lady-in-Waiting but through her determination and a stroke of luck, she ends up being trained as a Knight in the King's Guard. Accompanied by her best friend, a giant green Dragon that lives in her backyard, Jane experiences a series of adventures that test her character and her skills as a young knight in a castle full of friends and foes. Each episode in the show takes us through the problems and challenges Jane encounters and the process she goes through to find the solutions for them.

TURBO DOGS is a show about six canine friends - Dash, GT, Clutch, Stinkbert, Strut, and Mags - who have their own distinct characteristics but share a common love of racing cars. The fastest dogs in Racerville, the turbo dogs often compete with one another in races. The dogs each have their own racers, which they maintain			

regularly, and that are equipped with individual GPS systems to help and guide them. Each story begins with one of the turbo dogs encountering a problem that must be resolved while preparing to compete. Usually, the turbo dog learns his/her lesson through experience and accountability for negative behavior. Social-emotional messages about sportsmanship, teamwork, cooperation, and fairness developed in the story are emphasized in a separate tag at the end of each episode.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>SHELLLDON is an animated series that takes place in Shell Land, a mythical undersea world populated by characters from a wide array of water dwelling species. The main character, Shellldon, is an orphaned yoka shell mollusk who was adopted by the Clam family, and now lives with them in the family-owned Charming Clam Inn. Dr. Shell, an elder and venerated inventor, and Connie, a cowy shell classmate of Shellldon's also live at the inn. Shellldon and his buddies Herman (a Hermit crab) and Connie always work together and solve problems that they face in school or in the community. A recurring problem is to staunch the plans of the local millionaire, Cecil Cracken, whose greed puts making money over protecting the environment. Dr. Shell is typically the children's key provider of knowledge and other resources. In each episode, the children learn a significant socio-emotional lesson and also share information relating to their ocean habitat and environmental protection.</p>

3-2-1 PENGUINS! draws upon characters from two stories and uses both long and short form material involving these characters to provide social-emotional messages to children. The show features two children, Jason and Michelle, whose vacation at their grandmother's cottage ends up being more adventure than they expect when their toy spaceship with four toy Penguins comes to life. The children are sucked into the spaceship, where they meet the now live Penguins and journey through space to solve an inter-galactic disaster threatening the Penguins and their friends. Each story begins with a problem and ends after the children have learned an important social-emotional message through their adventure with the Penguins.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>BABAR, based on the books by Laurent de Brunhoff, is an animated show about a young orphaned elephant who finds the strength to rise above the challenges he faces, including the death of his parents, as he journeys through life. Each episode of the show develops a social-emotional message such as taking responsibility, being patient and persistent in hard work, respecting people's privacy, learning to cope with unforeseen changes, and being honest. These messages emerge from the need to resolve a dilemma that is faced by Babar, one of his friends or family members.</p>

Length of Program		Age of Target Audience	
30 minutes		From	To
		4 years	8 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>PEARLIE is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>TURBO DOGS is a show about six canine friends - Dash, GT, Clutch, Stinkbert, Strut, and Mags - who have their own distinct characteristics but share a common love of racing cars. The fastest dogs in Racerville, the turbo dogs often compete with one another in races. The dogs each have their own racers, which they maintain regularly, and that are equipped with individual GPS systems to help and guide them. Each story begins with one of the turbo dogs encountering a problem that must be resolved while preparing to compete. Usually, the turbo dog learns his/her lesson through experience and accountability for negative behavior. Social-emotional messages about sportsmanship, teamwork, cooperation, and fairness developed in the story are emphasized in a separate tag at the end of each episode.</p>

Length of Program		Age of Target Audience	
30 minutes		From	To
		4 years	8 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>SHELLDON is an animated series that takes place in Shell Land, a mythical undersea world populated by characters from a wide array of water dwelling species. The main character, Shelldon, is an orphaned yoka shell mollusk who was adopted by the Clam family, and now lives with them in the family-owned Charming Clam Inn. Dr. Shell, an elder and venerated inventor, and Connie, a cowry shell classmate of Shelldon's also live at the inn. Shelldon and his buddies Herman (a Hermit crab) and Connie always work together and solve problems that they face in school or in the community. A recurring problem is to staunch the plans of the local millionaire, Cecil Cracken, whose greed puts making money over protecting the environment. Dr. Shell is typically the children's key provider of knowledge and other resources. In each episode, the children learn a significant socio-emotional lesson and also share information relating to their ocean habitat and environmental protection.</p>

Length of Program		Age of Target Audience	
30 minutes		From	To
		4 years	8 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>THE MAGIC SCHOOL BUS will replace 3-2-1 PENGUINS! on October 9 for the new season. 3-2-1 PENGUINS! draws upon characters from two stories and uses both long and short form material involving these characters to provide social-emotional messages to children. The show features two children, Jason and Michelle, whose vacation at their grandmother's cottage ends up being more adventure than they expect when their toy spaceship with four toy Penguins comes to life. The children are sucked into the spaceship, where they meet the now live Penguins and journey through space to solve an inter-galactic disaster threatening the Penguins and their friends. Each story begins with a problem and ends after the children have learned an important social-emotional message through their adventure with the Penguins. THE MAGIC SCHOOL BUS is based on series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip to answer questions or learn many new things about the place the class visits. Each episode is a fact filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges her students to</p>			

"make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 4 to 9 and in addition to all the factual content, the children also have a socio-emotional problem to solve that is embedded into the story line.

17. Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other non-core educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. §73.671, NOTES 2 and 3.

KSNV's public file lists public service announcements designed specifically for children. *** KSNV also posts the Children's programming information on its website at www.mynews3.com as well as provides a link to NBC's, The More You Know Website. *** "The More You Know's" comprehensive website (themoreyouknow.com) provides in-depth referral information, in connection with the on-air public service announcements. Content includes: video of all current public service announcements, a general campaign overview, message boards, press releases, kids' pages and referral information by topic to partnering agencies referenced in the PSAs. The site includes a comprehensive list of the campaign's accolades, including Emmy and Peabody awards. In addition, a behind-the-scenes story with clips from talent interviews can be viewed. *** KSNV as part of their community outreach also provides station studio tours to local youth groups. *** KSNV attempts to schedule additional episodes of Pets.TV, Animal Rescue and Jack Hanna's Animal Adventures during core and non-core hours when time is available. These programs target children ages 13 to 16.
